

BALLET CYMRU SPACE HIRE

Ballet Cymru's large purpose built dance studio is fitted with a 14 square metre Harlequin 'Liberty' sprung wooden dance floor, topped with 'Cascade' vinyl dance surface for professional dance use. The studio has a 2m carpeted area around the perimeter of the dance floor so guests can watch rehearsals.

The studio is fully accessible and benefits from natural daylight and air conditioning.

It is a beautiful space for performances, creative dance work and dance related events; from rehearsals and training programmes to ballet examinations and events. Hirers include The Royal Academy of Dance, Cecchetti, Earthfall, and numerous independent artists.

Ballet Cymru's premises is also ideal for business workshops and events, with lots of natural daylight, accessible facilities and break out spaces.
