In order to assist the Council in making proper assessment of suitability, details about previous convictions for criminal offences must be disclosed. Under the Rehabilitation of Offenders Act 1974 there is no requirement to provide details about previous convictions that are ‘spent’. A conviction becomes ‘spent’ after a certain length of time, which varies depending upon the sentence and the age of the person at the time of conviction. If a person is sentenced to more than 2 ½ years in prison, his/her conviction can never become ‘spent’. If you have any doubts about whether you have to declare a previous conviction, you should contact your local Probation Office, Citizens Advice Bureau or your Solicitor.

**Disclosure Barring Service** can provide a ‘basic’ disclosure that contains details of unspent convictions personal to an applicant. This type of disclosure is only issued to the applicant and may be used more than once. Disclosure applications can be made at:
