Improvement Plan

The Council also has an Annual Improvement Plan, which aims to show evidence that the Council is delivering on its duty under the Local Government Measure (Wales) 2009 to secure continuous improvement. The Improvement Plan focuses on eight Improvement Objectives – areas of work where we aim to make a significant difference to services and outcomes and to 'improve people's lives'.

The Improvement Plan builds on the Council's Corporate Plan and the Local Service Board's Single Integrated Plan. The Improvement Plan is not designed to describe all of the Council's day to day work. The Improvement Plan objectives for 2015-16 are:

A Caring City

- Supporting older people leaving hospital.
- Improving care and support services for adults.

A Learning & Working City

- Developing and regenerating the city.
- Supporting young people into education, employment or training.
- Ensuring the best educational outcomes for children.

A Greener and Healthier City

- Helping children have a flying start in life.
- Increasing recycling.

A Safer City

- Improving outcomes for youth justice.
