In-Year School Admission or Transfer 2019/2020

To apply for a place within a Newport community maintained school, during the academic year, please read the following guidance before completing the application form.

Parents can ask to change schools at any stage of their child’s education. Indeed there may be a number of valid reasons for doing so, such as moving house etc. However, changing schools is an issue that needs to be given serious consideration as it is not always the answer and can have a detrimental effect on a child’s education.

If you are thinking of applying to transfer your child to another school, you are advised to consider the following:

---

**What year group is my child in?**

- Years 10 and 11 are a critical time for pupils who are undertaking examinations and therefore parents should consider this very carefully as there is no guarantee a child’s subject choices can be met in an alternative school. Parents of pupils in these year groups should note that with the support of all of Newport’s secondary schools, the council actively discourages requests for transfer at this stage of a child’s education.

- For pupils in Years 12 and 13 (age 16+), the council has currently agreed to delegate responsibility for the determination of admission arrangements for sixth forms to governing bodies of community schools, and these applications should be made directly to the school.

- It is the council’s expectation that children are taught in their chronological year group, unless exceptional circumstances apply. Where there are exceptional circumstances consideration will be given to a parent’s request for admission outside the normal age group. However please note that there is no right of appeal if a place has been offered but not in the desired year group.

---

**Have I discussed all options with my child’s current school?**

- Whilst there are a vast number of reasons for applying to another school, you are advised to discuss your options with your child’s current school in the first instance, as there may be strong educational reasons why a transfer should not take place, which you will need to consider. In some cases a meeting may need to be arranged between both (Newport) schools and the parent/guardian to discuss the transfer.

- Parents are strongly advised that where possible, children should not be removed from their current school until a suitable alternative place can be found. Non-attendance will be recorded as unauthorised absence and could be reported to the Education Welfare Officer.

- Note that a school transfer will not disrupt any action already being pursued by the Education Welfare Service.
How will my child travel to school?

• Careful consideration needs to be given to how your child will travel to school, as you will not necessarily be eligible for transport assistance, even if you have previously qualified.

• For Newport residents free home to school transport is provided to pupils who live 2 miles or more, for primary aged pupils, and 3 miles or more, for secondary aged pupils, from their catchment or nearest available school (including Welsh-medium and faith). In addition the Learner Travel (Wales) Measure states that a child is eligible for free home to school transport to an alternative school if this is nearer than the catchment school and provided that the qualifying distance is met. The full home to school transport policy can be found in the NCC Education: A Guide for Parents.

What next?

If you wish to proceed, please complete the attached In-Year School Admission or Transfer 2019/20 application form and return to: School Admissions Team, Civic Centre, Newport. NP20 4UR.

All transfers must be approved by the council, who will endeavour to make a decision within 15 school days (or 28 calendar days) from the date the application is received, although this is not guaranteed and at busy times may be delayed. Head teachers cannot give parents an expectation that their application will be successful, or tell them that their child has been given a place at the school, before an offer of a place has been made formally by the council. Should you wish to apply for a place at a Voluntary Aided (faith) school, please contact the school direct.

How we allocate places

All applications are processed in accordance with the council’s admissions policy and the council will try to comply with parental preference were possible. However in cases where the number of applications is greater than the number of places available, the following oversubscription criteria will be applied to determine priority. Where a school is named in a statement of Special Educational Needs, the council has a duty to admit the child to the named school before the over-subscription criteria is applied against applications received.

Oversubscription criteria for admission to community nursery schools and classes

1. Looked-after children (children in public care) and previously looked-after children (evidence may be required to substantiate this. See section A guidance notes.).

2. Those pupils living within the catchment area (see section A guidance notes) and making an application on medical grounds (see section D guidance notes) or placed on the Child Protection Register and recommended by Social Services (see Section F guidance notes).

3. Those pupils living within the catchment area (see section A guidance notes).

4. Pupils living outside of the catchment area and making an application on medical grounds (see section D guidance notes) or placed on the Child Protection Register and recommended by Social Services (see section F guidance notes).

5. Pupils living outside of the catchment area.

After considering the above categories, or if the number of applications in any one of the above categories exceeds the published admission number, priority will be based on those residing closest to the preferred school.

7. Pupils living outside the catchment area.

After considering the above categories, or if the number of applications in any one of the above categories exceeds the published admission number, priority will be based on those residing closest to the preferred school.

Over-subscription criteria for admission to Voluntary Controlled Primary Schools

Malpas Church in Wales Primary School is a voluntary controlled school for which the council is the Admissions Authority. As a result the council’s published oversubscription criteria as outlined above is applied. Within each category however, the following priority order is afforded:

• Children and/or parent(s) who are practising members of the founding religious body of the school (Church in Wales);
• Children and/or parent(s) who are practising members of other Christian churches or religious denominations;
• Children and/or parent(s) who are practising members of other faiths.

In determining this priority, the word “practising” is defined as at least once a month for the last six months attendance at church by at least one parent and/or child (where necessary this may be confirmed with a member of the clergy).

Oversubscription criteria for admission to community secondary schools

1. Looked-after children (children in public care) and previously looked-after children (evidence may be required to substantiate this (see section A guidance notes).

2. Those pupils living within the catchment area (see section A guidance notes) and making an application on medical grounds (see section D guidance notes) or placed on the Child Protection Register and recommended by Social Services (see section F guidance notes).

3. Those pupils living within the catchment area (see section A guidance notes) but with relevant siblings (see Section E guidance notes).

4. Those pupils residing within the catchment area (see section A guidance notes).

5. Pupils living outside of the catchment area and making an application on medical grounds (see section D guidance notes) or placed on the Child Protection Register and recommended by Social Services (see section F guidance notes).
What if my application is refused?

- If the admission number of the relevant year group at the chosen school has already been reached, the transfer request will be refused and parents advised of their right to appeal against the council’s decision (note that there is no right of appeal for admission to nursery).
- If you live in Newport, you may be offered an alternative place in your catchment school or next nearest available school if your preferences cannot be accommodated. Alternative places for children who do not live in Newport should be sought from the home local authority.
- Your child’s name will remain on a waiting list for the preferred school until the end of the academic year (31st August) in which the application is made, at which time a new application may be made. If spaces become available, they will be allocated to children in accordance with the published oversubscription criteria.
- A child’s position on the waiting list may change as applications may be received that have a higher degree of priority under the admission criteria. Waiting lists do not give priority to children based on the date the application was added to the list.

Newport City Council is registered under the Data Protection Act 2018, allowing the council to hold and process personal data. Such information will only be used for the purpose for which it was provided and as allowed by the Act. For the purpose of processing applications for school places in Newport the information you provide on this application form may be shared with other agencies that are directly involved in the education, health and welfare of school children, including other local admission authorities. Allegations of fraudulent claims will be investigated and places may be withdrawn if applicants knowingly provide false information in order to obtain the advantage of a particular school, to which they would not normally be entitled.
Application form guidance notes

Section A: Child’s details

Name: Your child may be known by one name but have a different legal name. The legal name is the name stated on the birth certificate (unless you have legally changed the child’s name since birth. In this case please provide a copy of the legal change of name papers). Please note that the Council will refer to your child by their legal name for the purposes of this application.

Address: For this application, the Council will consider the child’s home address to be the genuine principal place of residence where the child permanently resides with their parent/legal guardian at the time the application is submitted, and does not mean the address at which the child is cared for by relatives or others. If a child is resident with relatives or others for reasons other than legal guardianship, that address will not be considered for allocation purposes.

Where parents have shared responsibility for the child and the child spends equal time with both parents during the school week, or the home address is in dispute, the place of residence of the parent who receives the Child Benefit will be considered the child’s home for allocation purposes.

Please note the council will undertake thorough residency checks and reserves the right to request independent confirmation of the child’s address. Applicants may be asked to supply additional documentation to support their application.

The Council will use the home address to determine the catchment school for allocation purposes. However please note that there is no guarantee of a place, even at your catchment school. Those pupils residing within a school’s catchment area will be given priority over those children living outside the catchment area.

It is the applicant’s responsibility to advise the School Admissions Team of any changes in circumstances including a change of address following submission of the application. Such changes may have an effect on the outcome of the application.

Looked after children / previously looked after children:
Where the application is for a child who is currently under the care of a local authority, the relevant Social Worker must sign the application form to authenticate the validity of the application and confirm the appropriateness of choice of school. Evidence such as an Adoption Certificate will be required to confirm the status of previously looked after children.

Note that previously looked-after children will only be given priority if places are available.

Section B: Applicant details

Please note that this application must be made by an adult who has parental responsibility for the child. It is not the responsibility of the School Admissions Team to determine parental responsibility; however it may be necessary for the Council to request evidence of such in certain circumstances. Where parental responsibility is equally shared, the Council will ask the child’s parents to determine which parent should submit the application. If parents cannot agree and neither has obtained a court order stating who should be making the application, the Council will accept an application from the parent in receipt of Child Benefit for the named child (evidence of this will be required). If there is a residence order in place affecting the child for whom the application is being made, a copy of the order must be submitted with the application.

Where parental responsibility is held by someone other than the child’s mum or dad, it will be necessary to submit evidence of this in support of the application. An acceptable form of evidence for this purpose would be a copy of any legal document awarding parental responsibility to the adult making the application.
Application form guidance notes

Section C: School preferences

Before choosing which school to apply for you should read the School Admissions Policy which lists all of the schools in Newport and you can visit www.newport.gov.uk/schooladmissions to find out what your catchment school is.

Community / voluntary controlled schools:
Community / voluntary controlled schools: Via this application form parents may express preferences for any Newport community or voluntary controlled school, including schools outside of a child’s catchment area. This includes both English-medium and Welsh-medium schools. You may express more than one preference and give a reason for your preference(s). Expressing a preference does not guarantee admission to your chosen school but it will give your child priority over children whose parents have not expressed a preference for that school.

Welsh medium schools
If your preference is for a Welsh-medium education then please indicate this on the form by ticking the box to inform the admissions team. In Newport there are 3 Welsh-medium primary schools, all with a nursery attached, and 1 Welsh-medium secondary school details of which can be found on our website www.newport.gov.uk or in the School admissions policy 2019/20. Pupils or parents who would like Welsh-medium education do not have to be fluent Welsh speakers to be accepted into Welsh-medium schools. Visit www.newport.gov.uk/becomingbilingual for more information.

Section D: Additional needs

SEN: Children with a formal statement of Special Educational Needs are afforded priority ONLY if the school to which the parent is applying is named in Newport City Council’s statement.

Medical needs: Applications on medical grounds are prioritised if they are supported by a medical consultant’s report, obtained by the applicant specifying the medical advantage of the child attending the preferred school. Reports from family doctors or other health professionals are not accepted for this purpose. Note that priority is only given if places are available.

Section E: Relevant sibling

Children who will have a brother or sister at the school to which the parent is applying, at the date of admission, will be given a higher priority than those who do not. Please note however that having a sibling at the school does not guarantee admission for any other children in the family. Brothers and sisters, whether half, full, step, or foster will be considered relevant where living in the same household. Please note that siblings in Years 12 and 13 are not considered relevant.

This is not applicable to nursery applications.

Section F: Other information

Armed Forces Personnel: Where the application is for the child of armed forces personnel that are either serving or returning from service at the time the application is made, the council will admit the child to the school if the application is accompanied by an official proof of posting declaring:
• a definite return date;
• confirmation of the new address wherever possible;
• confirmation of the Crown Servant status.

Children of multiple birth: If, when applying the over-subscription criteria, the last child to be admitted is one of multiple birth the council will admit the other sibling(s).

Applications for children placed on the Child Protection Register must be supported by a written recommendation from a Social Worker giving reasons for the child’s admission to a particular school in order to receive priority. Note that priority is only given if places are available.
Upon receipt of your application and where possible, the School Admissions Team will make contact with your child’s current school to discuss your request for a transfer. Consequently before applying to change schools, you are advised to discuss your options with your child’s current school in the first instance, in order to resolve any issues that may have arisen and / or follow the school’s complaints procedure if appropriate. There may be strong educational reasons why a transfer should not take place, which you will need to consider and in some cases a meeting may need to be arranged between both (Newport) schools and the parent / guardian to discuss the transfer.

In summary, if your child is having problems at school, before requesting a transfer to another school you should first:
• Contact your child’s current school to discuss the situation;
• Discuss the situation with your child;
• Ask for help from the Education Welfare Officer
Before applying to change your child’s school, you should consider the following in relation to your child’s welfare:
• Will transport be an issue, in terms of both cost and travel time?
• Will the transfer affect any brothers or sisters?
• Will your child miss their friends?
• If your child is in Year 10 or 11 will the GCSE subject

Please provide photocopies in all cases as the council cannot guarantee the safe return of original documents and is unable to provide a photocopying service.

Proof of residency is required in support of all applications, and for this purpose, if you live in Newport it is possible for the council to refer to your council tax record. However, this can only be done with parental consent.

Any applicants unwilling / unable to allow this, or those who do not live within Newport should provide additional physical photocopied evidence in order to verify their home address. In such cases, accepted forms of physical evidence are a valid driving licence; a current council tax bill (where the applicant lives outside of Newport); or a current child benefit / child tax credit notification naming the child for whom the application is being made.

Proof of date of birth:
It is the council’s policy that children are taught in their chronological year group, unless exceptional circumstances apply. Consequently if your child is not currently in a Newport council-maintained school, this application must be supported by a photocopy of the child’s birth certificate, NHS medical card or valid passport.

Proof of previously looked-after child status: If your child was previously a looked-after child under the care of a local authority you will need to submit evidence of this, such as a copy of the adoption certificate.

Medical circumstances: See Section D for details

UK Armed Forces and Crown Servants: See Section F for details

Parental responsibility: See Section B for details

Please make sure that you have read the declaration before signing and dating the form. Should the application be submitted unsigned or incomplete, this could significantly delay the processing of your application, increasing the possibility of not achieving a place at your preferred school.

Allegations of fraudulent claims will be investigated and places may be withdrawn if applicants have knowingly provided false information in order to obtain the advantage of a particular school, to which they would not normally be entitled.

Privacy policy: please view online at www.newport.gov.uk/privacynotice
