November 2019

Dear Parent/Guardian

Application for Reception 2020

The Council is proposing to establish a Welsh-medium seedling primary school. It is proposed that this new school will be established from September 2020, initially as a seedling provision for Nursery and Reception pupils only, at the currently vacant former Caerleon Lodge Hill Infant School.

This consultation closed on 13th September 2019 and a consultation report, which will include recommendations on next steps, will be published shortly. Whilst the Council is therefore unable at this stage to guarantee that the school will open as planned in September 2020, parents may express this as a preference during this application window. You are advised however to also select alternative preferences for existing schools, details of which can be found in the School Admissions Policy 2020/21. Should the planned opening of the new primary school be deferred, your second preference will be promoted for consideration.

Further information and updates on this proposal will be published on the Newport City Council website at <http://www.newport.gov.uk/en/Schools-Education/School-reorganisation/Welsh-medium-primary-school-and-relocation-of-Pillgwenlly-Primary-School.aspx>

For any queries or questions please contact the school admissions team on **01633 656656** or email school.admissions@newport.gov.uk

Yours sincerely

APPLICATION FORM GUIDANCE NOTES

Section A: Child's details

Name

Your child may be known by one name but have a different legal name. The legal name is the name stated on the birth certificate (unless you have legally changed the child's name since birth. In this case please provide a copy of the legal change of name papers). Please note that the council will refer to your child by their legal name for the purposes of this application.

Address

For this application, the Council will consider the child's home address to be the genuine principal place of residence where the child permanently resides with their parent/legal guardian as at the stipulated closing date, and does not mean the address at which the child is cared for by relatives or others. If a child is resident with relatives or others for reasons other than legal guardianship, that address will not be considered for allocation purposes. Where parents have shared responsibility for the child and the child spends equal time with both parents during the school week, or the home address is in dispute, the place of residence of the parent who receives the Child Benefit will be considered the child's home for allocation purposes.

Please note the council will undertake thorough residency checks and reserves the right to request independent confirmation of the child's address. Applicants may be asked to supply additional documentation to support their application.

The council will use the home address to determine the catchment school for allocation purposes. However please note that there is no guarantee of a place, even at your catchment school. Those pupils living within a school's catchment area will be given priority over those children living outside the catchment area.

It is the applicant's responsibility to advise the School Admissions Team of any changes in circumstances, including a change of address following submission of the application. This is to ensure that correspondence is sent to the correct address and will not affect the outcome of the application if this is after the closing date. Any new address can only be taken into consideration when determining the outcome of an application if the child lives there on the closing date and satisfactory evidence is provided to confirm this. Depending upon the circumstances, and the timing of the information provided, such changes may impact on the application process.

Current nursery

Please note that attendance at a nursery school is not taken in to consideration when determining priority for places and does not guarantee a place at any primary school.

Looked after children / previously looked after children

Where the application is for a child who is currently under the care of a local authority, the relevant social worker must sign the application form to authenticate the validity of the application and confirm the appropriateness of choice of school. Evidence such as an adoption certificate will be required to confirm the status of previously looked after children.

Section B: Applicant details

Please note that this application must be made by an adult who has parental responsibility for the child. It is not the responsibility of the school admissions team to determine parental responsibility. However, in certain circumstances, it may be necessary for the council to request evidence of this.

Where parental responsibility is equally shared, the council will ask the child's parents to determine which parent should submit the application. If parents cannot agree and neither has obtained a court order stating who should be making the application, the council will accept an application from the parent in receipt of child benefit for the named child. If there is a residence order in place affecting the child for whom the application is being made, a copy of the order must be submitted with the application.

Where parental responsibility is held by someone other than the child's mother or father, it will be necessary to submit evidence of this in support of the application. An acceptable form of evidence for this purpose would be a copy of any legal document awarding parental responsibility to the adult making the application.

Section C: School preferences

Before choosing which school to apply for you should read the School Admissions Policy which lists all of the schools in Newport and you can visit www.newport.gov.uk/schooladmissions to find out what your catchment school is. In making an application it is recommended that at least 3 different school preferences are named to increase the chances of securing a place that is acceptable. This is because there is no guarantee of any particular school place and there are some areas of Newport where demand for school places is particularly high. Applicants cannot be considered for a school unless they have expressed a preference for it. If you do not express a preference for your catchment school, an applicant residing outside of the catchment area who does express a preference for it will receive a higher priority than you as an in-catchment resident.

You will also need to consider how your child will travel to school as they will not necessarily be eligible for school transport. Free home to school transport is provided to primary aged pupils who live 2 miles or more from their catchment school or nearest available school. This includes Welsh-medium and faith schools. In addition the Learner Travel (Wales) Measure states that a child is eligible for free home to school transport to an alternative school if this is nearer than the catchment school and provided that the qualifying distance is met.

Voluntary aided schools / faith schools

If you would like to apply for a school place at a voluntary aided or faith school (i.e. Charles Williams Church in Wales Primary School or any of Newport's Roman Catholic primary schools), please contact them directly to make an application. The school admissions team will not be able to consider any request for these schools because the governing body is the Admission Authority. These schools have their own admissions policy. Parents are asked to contact the preferred faith school for full details of admission arrangements. Please note however that since all Admissions Authorities within a local authority area are required to work together towards a common set of closing dates and offer dates, the council's agreed timetable will be adhered to in all instances.

In order to comply with the admissions code, parents must be allowed to express a preference for their second or even third choice of school. Therefore it may be necessary to complete both a Newport City Council application form and the form supplied by the faith school to which they are applying. In such instances, the completed council form should be returned directly to the school admissions team at the Civic Centre.

Parents must however indicate which school is their first preference and information sharing protocols exist between the council and its voluntary aided schools to identify children for whom more than one application has been made. Those who do not specify an order of preference will be contacted and asked to confirm this.

Welsh medium schools

If your preference is for a Welsh-medium education then please indicate this on the form by ticking the box to inform the admissions team. In Newport there are 3 Welsh-medium primary schools, all with a nursery attached, and 1 Welsh-medium secondary school details of which can be found on our website www.newport.gov.uk or in the School admissions policy 2020/21. Pupils or parents who would like Welsh-medium education do not have to be fluent Welsh speakers to be accepted into Welsh-medium schools. Visit www.newport.gov.uk/becomingbilingual for more information.

Community schools

This application form enables applicants to express a preference for any Newport community or voluntary controlled school, including Welsh-medium; however there is no guarantee of a school place. If the number of applications to a school is fewer than or equal to the number of places available, all applicants will be admitted.

If the number of applications to a school is greater than the number of places available, the information applicants give will be used to rank a child's priority for a place in line with the following oversubscription criteria. Where a school is named in a statement of Special Educational Needs, the Council has a duty to admit the child to the named school before the over-subscription criteria is applied against applications received.

1. **Looked-After Children** (children in public care) and **previously Looked-After Children**.
2. Pupils **living within the catchment area** and making an application on **medical grounds** or placed on the Child Protection Register and recommended by Social Services. .
3. Pupils **living within the catchment area** but with relevant siblings.
4. Pupils **living within the catchment area**.
5. Pupils **living outside of the catchment area** and making an application on **medical grounds** or placed on the Child Protection Register and recommended by Social Services.
6. Pupils **living outside of the catchment area** but with **relevant siblings**.
7. Pupils **living outside of the catchment area**.

After considering the above categories, or if the number of applications in any one of the above categories exceeds the published admission number, priority will be based on those residing closest to the preferred school (see the School Admissions Policy for full details)

Malpas Church in Wales Primary School is a voluntary controlled school for which the Council is the Admissions Authority. As a result the Council's published over-subscription criteria as outlined above is applied to applications for the school. Within each category however, the following priority is afforded:

- Children and / or parent(s) who are practising members of the founding religious body of the school (Church in Wales);
- Children and / or parent(s) who are practising members of other Christian churches or religious denominations;
- Children and / or parent(s) who are practising members of other faiths.

In determining this priority, the word "practising" is defined as at least once a month for the last six months attendance at Church by at least one parent and/or child (where necessary this may be confirmed with a member of the clergy)

All preferences will be considered equally and you will be offered a place in your highest ranked school where a place is available. Any applications that are received after the closing date will only be processed after places have been allocated for applications that were received on time, and this may increase the possibility of not achieving a place at a preferred school.

Where all of the applicant's preferences are refused, and they are a Newport resident, the child will be allocated an alternative place at the catchment school if places are available. Should the catchment school also be unavailable the applicant will be informed of the schools that have places available and invited to express additional preferences for consideration under the Council's late application and additional preference arrangements. Unsuccessful applicants who do not reside in Newport should contact their home local authority for an alternative school or submit additional preferences for other schools in Newport.

Applicants should note that in accordance with the Council's Home to School Transport Policy, they will be responsible for all transport costs and arrangements where the preferred school is not the catchment school, or where the home to school distance is less than 2 miles if attending the catchment school.

Admission to a school outside of Newport:

To apply for a school outside Newport, please apply directly to the relevant admission authority.

Admission to an Independent School: To apply for an Independent school you must go directly to that school. Applicants are also advised to apply for a place at a Newport School in case the application to the independent school is unsuccessful, stating on the application form that a place is being sought at an independent school.

Applications from people living outside of Newport:

Parents of children living in other authorities who want their children to go to a Newport school should refer to Newport City Council's admissions policy and apply in accordance with the NCC application process.

Section D: Additional needs

Special Educational Needs (SEN)

Children with a formal statement of special educational needs are afforded priority **ONLY** if the school to which the parent is applying is named in Newport City Council's statement.

Medical needs

For applications where the preference is based on medical grounds the application must be supported by a medical consultant's report, obtained by the parents, specifying the medical advantage of the child attending the preferred school.

Please note that reports from family doctors are not accepted for this purpose. Note that priority is only given if places are available.

Section E: Relevant sibling

Children who will have a brother or sister at the school to which the parent is applying, at the date of admission, will be given a higher priority than those who do not. Please note however that having a sibling at the school does not guarantee admission for any other children in the family. Brothers and sisters, whether half, full, step, or foster will be considered relevant where living in the same household. Please note that siblings in Year 6 are not considered relevant.

Section F: Other information

Applications for children placed on the Child Protection Register must be supported by a written recommendation from a Social Worker giving reasons for the child's admission to a particular school in order to receive priority. Note that priority is only given if places are available.

Children of UK Service personnel are subject to frequent movement and if, as a result of the serving/returning officer's posting/discharge, this generates a need for a school place in Newport, the child will be admitted to the school if the application is accompanied by:

- *Official proof of posting i.e. a posting notice; or*
- *A discharge notice; and*
A copy of the Service Identity Card.

Children of UK Crown Servants (including diplomats) are subject to frequent movement and if moving into Newport, will be determined as meeting the residency criteria for the relevant catchment school if the application is accompanied by an official Foreign and Commonwealth Office letter declaring:

- *a definite return date;*
- *confirmation of the new address wherever possible;*
- *confirmation of the Crown Servant status.*

Children of multiple birth

If when applying the over-subscription criteria, the last child to be admitted is one of a multiple birth, then the Council will admit the other sibling(s).

Section G: Supporting evidence

Please provide **photocopies** in all cases as the council cannot guarantee the safe return of original documents and is unable to provide a photocopying service.

Proof of residency

This is required in support of **all** applications. If you live in Newport it is possible for the council to refer to your council tax record. This can only be done with parental consent.

Any applicants unwilling /unable to allow this, or those who do not live within Newport should provide additional physical photocopied evidence in order to verify their home address. In such cases, accepted forms of physical evidence are;

- a valid driving licence
- a current council tax bill (where the applicant lives outside of Newport);
- or a current child benefit / child tax credit notification naming the child for whom the application is being made.

Proof of date of birth

It is the council's policy that children are taught in their chronological year group, unless exceptional circumstances apply. For this reason, if your child is not currently in a Newport school this application must be supported by a photocopy of the child's birth certificate, NHS medical card or valid passport.

Important information to note

Please make sure that you have read the declaration before signing and dating the form. If the application is submitted unsigned, this could delay the processing of your application, thus increasing the possibility of not achieving a place at your preferred school. Allegations of fraudulent claims will be investigated and places may be withdrawn if applicants have knowingly provided false information in order to obtain the advantage of a particular school, to which they would not normally be entitled.

DATA PROTECTION ACT: Newport City Council is registered under the Data Protection Act 2018, allowing the council to hold and process personal data. Such information will only be used for the purpose for which it was provided and as allowed by the Act.

For the purpose of processing applications for school places in Newport the information you provide on this application form may be shared with other agencies that are directly involved in the education, health and welfare of school children, including other local admission authorities.

If you are posting your application it is recommended that the form is sent by recorded delivery. The Council cannot accept responsibility for any application or evidence that is lost in the postal system. Any applications that are received by the school admissions team after the closing date of 15 January 2020 or applications that remain incomplete (i.e. without proof of address) at the closing date will be determined as being late; this may increase the possibility of not achieving a place at your preferred school.
