School Reorganisation Proposal – Establishment of a New Primary School on the Glan Llyn Development

Options Considered/Reasons for Decision

Formal consultation was concluded on the school reorganisation proposal "to establish a new primary school on the Glan Llyn development for pupils aged 3 to 11 years with effect from September 2018".

This formal consultation was carried out between 2nd October 2017 and 12th November 2017. Following conclusion of this process a consultation report has been drafted. The report content described this consultation process and feedback in some detail. This was attached in Appendix 1 and was published on the Newport City Council website and shared with stakeholders as outlined in the statutory School Organisation Code.

This report referenced those findings, the result of which recommended that the Council moved to publish a statutory proposal. During this statutory proposal period, legal objections could be lodged by any stakeholder, and would need to be considered before any final determination was taken.

It should be noted however that the consultation outlined that, if approved, the proposal would be implemented in September 2018. Since the consultation was drafted however, the Council's view had changed, and for the reasons outlined within the report was now recommended that the proposed implementation date be modified to September 2019.
