School Reorganisation Proposal – New Primary School on the Glan Llyn Development

Options Considered/Reasons for Decision

To seek approval to move to formal consultation on a school reorganisation proposal "to establish a new two-form entry primary school on the Glan Llyn development from September 2018".

This report referenced the requirement to move to formal consultation on the proposal to establish the first of two new primary schools on the Glan Llyn development.

A pre-consultation exercise with the current residents of the development was carried out in July 2017 to enable stakeholders to express their views regarding the proposed language medium for the new school.

It was proposed that an English-medium school with nursery and Learning Resource Base provision be established to open to pupils in September 2018 on a "growing school" basis to meet the needs of the growing housing development.

There was now a requirement to move to the formal consultation stage of the statutory consultation process. The formal consultation pack would include further information regarding the proposal to enable all consultees and stakeholders to be fully informed of the detailed design of the new school.

Decision

To move to a period of formal consultation on a school reorganisation proposal to establish a new two-form entry primary school on the Glan Llyn development from September 2018.

Consultation

Monitoring Officer, Head of Finance, Head of People & Business Change and Chief Education Officer.

All members were consulted and provided with an opportunity to comment. Any comments received and response thereafter are set out in the report.
