Urdu

Introduction

The council is proposing to establish a new English-medium primary school in Newport for pupils aged between 3 and 11 years, on the Glan Llyn housing development, with effect from September 2018.

Glan Llyn is a new housing development in the east of Newport, within the Llanwern ward, which on completion will consist of circa 4000 dwellings. Due to the size of the development, the Council’s planning agreement included a requirement for two new 2 form entry (60 places per year group, equating to a published admission number of 60) primary schools to serve families living on the site. There will also be a 24 place nursery class able to take 48 children in total over the morning and afternoon sessions.

The school is being commissioned by the developer, St Modwen, and will be handed over to the council in the summer of 2018. In order to support the school opening in September 2018, the council is required to carry out a school reorganisation proposal to legally establish the school. This formal consultation marks the first stage in this process.

How do I get involved?

Two consultation drop-in sessions have been arranged. You are welcome to attend either of these sessions and meet council officers face-to-face to discuss the proposal.

| Location | Date & Time | Session |
|--|--|---------------|
| Llisbury High School, Nash Road, NP19 4RP | Monday 16 October 2017 4.30pm – 6.30pm | Drop-in event |
| Llanwern High School, Hartridge Farm Road, NP18 2YE | Wednesday 25 October 2017 4.30pm – 6.30pm | Drop-in event |

The formal consultation period runs from Monday 2 October 2017 and will end at midnight on Sunday 12 November 2017. Comments and questions can be submitted using the attached response pro-forma. This pro-forma will also be available at the drop-in sessions or can be downloaded from www.newport.gov.uk/schoolreorganisation

These responses should be returned to the Education Service Development Manager, Room 425w, Newport City Council, Civic Centre, Newport NP20 4UR. Alternatively comments and completed pro-formas can be returned by email to school.reorg@newport.gov.uk

Questions and answers

What will the proposal provide?

This proposal will increase the number of primary school places available in the east of Newport. The full capacity of the school is for 420 mainstream pupils of statutory school age (equating to a published admission number of 60), plus a 24 place nursery and two SEN Learning Resource Bases with capacity for 10 pupils in each.

The school will be established however as a “growing school”, with the published admission number being set at 15 from September 2018, increasing to 30 from September 2019 and 45 from September 2020, before being set at 60 from September 2021 onwards.

Under this model, admission will be capped in the first three years to allow the school to grow with the size of the development. However research indicates that in areas of significant housing development there is often more pressure on Nursery and Reception places as opposed to those year groups higher up in the school. As a result, the admission number for Reception will be set at 30 from September 2018 and will increase to 60 from September 2020.

What is a “growing” school?

Opening a new school as a growing school allows it to grow in size as the population of the development grows. It is proposed that this school will grow incrementally over four years.

Why is a “growing” school an appropriate solution?

The new school is being provided by the site developer as part of the planning agreement with the Council to meet the needs of the local community.

At the time of opening however the housing development will not be fully complete, and the Council is unable to either restrict admission to a school to those pupils living within the designated catchment area or to reserve places in a school for any pupils who may subsequently move into the catchment area.

If the new school was opened to immediate full capacity therefore, admission applications could be submitted from children living across the City and even from outside of the City. Opening the school as a “growing” school will go some way towards mitigating this risk.

Newport City Council already has experience of establishing a growing school, as this model was used to open Jubilee Park Primary School in September 2017. Councils in other Local Authority areas have also successfully opened new schools under a growing school model in the past, and there is precedent across the region for these arrangements to support new housing developments.

When will this happen?

It is proposed that the new primary school will open in September 2018.

What is the cost of the project?

All building costs associated with this project are being met by the developer as part of the Council’s planning agreement. The Council is however responsible for all fixtures, fittings and equipment that are required to support the new school. These costs will be funded via the Council’s Capital Programme and included in the 21st Century Schools Band B bid.

What will the school catchment area be?

The new primary school will have a dedicated catchment area, and for secondary education, the area will fall within the catchment area for Lliswerry High School.

How can I make an application for this school?

Newport City Council will be the admissions authority for the new community-maintained primary school, and applications for admission will be assessed in accordance with the Council’s School Admissions Policy. Further information on the School Admissions policy and process can be found on the Council website at www.newport.gov.uk/schooladmissions

How is the Governing Body elected?

If this proposal is agreed, a temporary Governing Body will be appointed who will be responsible for appointing a Headteacher, agreeing a staffing structure and deciding on other aspects such as the school name, uniform and logo.

How and when will staff be appointed?

The temporary Governing Body would need to consider the timescales for the appointment of a Headteacher in order that an appropriate staffing structure of teachers and support staff can be established and recruitment can take place in readiness for the school to open. As a growing school, the staff compliment will increase incrementally until the school is fully subscribed. There will be only a relatively small staff group in the first year.

Consultation Response Pro-forma

Establishment of a new primary school in Newport on the Glan Llyn development

Your views matter. Please tell us what you think about the proposal by completing this questionnaire and returning it to the Education Service Development Manager, Newport City Council, Room 425W, Civic Centre, Newport NP20 4UR. Alternatively you can email your response to school.reorg@newport.gov.uk

The closing date for the submission of responses to this consultation is midnight on Sunday 12 November 2017.

Please note that negative responses made to this consultation will not be counted as objections to the proposal, they will be recorded as adverse comments. Objections can only be registered following the publication of a statutory notice.

Do you support the proposal to establish a new English-medium community-maintained primary school for children aged between 3 and 11 years on the Glan Llyn housing development from September 2018?

Yes No

Please use the box below to give any reasons or comments (including alternative options).

Please indicate who you are (e.g. parent/carer of a child attending a local nursery)
