Urdu

The council is proposing to increase the size of Millbrook Primary School so that each year group, from Reception to Year Six, can accommodate 45 pupils. This increase will be applied incrementally on an annual basis from September 2018.

There is increasing parental demand for school places in this area of the city, and the school site has sufficient classroom space and facilities to support admitting additional pupils without causing any problems for this or any other school. Some maintenance work is necessary to achieve this and has been already been carried out to ensure that the building is able to meet the needs of additional pupils. This proposal will benefit the local community as the capacity of Millbrook Primary School will be eventually be increased across the all year groups from Reception to Year Six. This consultation proposes increasing the whole school capacity from 210 (1 form entry) to 315 (1.5 form entry). As a result of this, the published admission number for the school will increase from 30 to 45.

This increase will be applied gradually and will only affect admission to the Reception year group each September, until the point where it is in place across the whole school. This proposal will not affect nursery provision. The capacity of the nursery will remain at 32 part-time places, delivered over either a morning or afternoon session.

How do I get involved?

Two consultation drop-in sessions have been arranged. You are welcome to attend either of these sessions and meet council officers face-to-face to discuss the proposal.

Location	Date & Time	Session
Millbrook Primary School, Parrett Road, NP20 7DQ	Thursday 12 October 2017 10am -12 noon	Drop-in event
Millbrook Primary School, Parrett Road, NP20 7DQ	Tuesday 17 October 2017 2.00pm - 4.00pm	Drop-in event

The formal consultation period runs from Monday 11 September 2017 and will end at midnight on Sunday 22 October 2017.

Comments and questions can be submitted using the attached response pro-forma. This pro-forma will also be available at the drop-in sessions or can be downloaded from www.newport.gov.uk/schoolreorganisation

These responses should be returned to the Education Service Development Manager, Room 425w, Newport City Council, Civic Centre, Newport NP20 4UR. Alternatively comments and completed pro-formas can be returned by email to school.reorg@newport.gov.uk

Questions and answers

Why do you want to do this?

There is a significant demand for primary school places across the city, and therefore the council is constantly looking at ways in which school capacity can be maximised. This is particularly pertinent in respect of Foundation Phase year groups where the pupil cohort is increasing each academic year. Millbrook Primary School is housed on a large site with appropriate space and infrastructure in place to support an increased pupil number.

When will this happen?

The council has already admitted additional pupils to the September 2016 and September 2017 Reception year groups at Millbrook Primary School under informal “bubble class” arrangements. This consultation therefore proposes to formalise this by admitting 45 children to the Reception group each academic year until September 2022, at which point the higher published admission number will be applied across all year groups.

Why are you proposing a gradual increase?

A gradual increase will help the school in managing additional pupil numbers and will also ensure that there is no significant impact on other schools in the area.

Why can't the higher admission number be applied immediately across all year groups?

Increasing the capacity from 210 to 315 immediately will cause difficulties for the Headteacher and Governing Body in terms of managing staffing, the organisation of classes and the school budget. In addition, the council wants to make sure that this proposal does not cause problems for other schools in the area, and therefore reduce the possibility of any potential disruption caused by largescale movements of children from other schools.

Will the new school be able to take more children than at present?

Yes as by September 2022 the full capacity will be increased from 210 to 315, with space being available for 45 children in each of the year groups from Reception to Year Six. The nursery capacity will remain the same as at present however, with space for 32 part-time places delivered over either a morning or afternoon session.

Will the school catchment area change?

No, the catchment area will stay the same as it is now and Newport City Council will remain the admission authority.

Will there be any further building work?

No, the council has already carried out the work necessary to ensure that the whole school is equipped to meet the demands of a 21st Century learning environment.

Will the Flying Start provision or Pupil Referral Unit be affected by this proposal?

No, these areas of the school are unaffected by this proposal.

What will happen to the staff and the governing body?

There will be no changes to school governance arrangements as a result of this proposal and the governing body will continue in its current form. There will however be staffing implications in terms of appointing the staff required for the additional classes. This will be managed locally in accordance with agreed procedures.

*Information can also be arranged in other community languages if needed.
Please contact us on 01633 656656 to arrange.*

Consultation response pro-forma - expansion of Millbrook Primary School

Your views matter. Please tell us what you think about the proposal by completing this questionnaire and returning it to the Education Service Development Manager, Newport City Council, Room 425W, Civic Centre, Newport NP20 4UR. Alternatively you can email your response to school.reorg@newport.gov.uk

The closing date for the submission of responses to this consultation is midnight on 22 October 2017.

Please note that negative responses made to this consultation will not be counted as objections to the proposal, they will be recorded as adverse comments. Objections can only be registered following the publication of a statutory notice.

Do you support the proposal to permanently increase the capacity of Millbrook Primary School for pupils of statutory school age from 210 to 315?

Yes

No

Please use the box below to give any reasons or comments (including alternative options).

Please indicate who you are (e.g. parent/carer of a child attending a local nursery)
