INTRODUCTION

This guide has been developed to assist you in passing the Knowledge test, which is the first step to begin the process in order to obtain your required licence. You will find out information from where the test will take place to what will be included in the test including examples of questions, and advisory tips.

The test will be based on the information in this guide and it is important that you take the time to read it to ensure that you understand all that is required to successfully pass the test. It is important to note that you are responsible for your own learning.

To be a Newport City Council Private Hire / Hackney Carriage driver you need to know Newport better than most people. You have to have an understanding of all licensing conditions and legislation to ensure you provide a high quality service and to ensure that you and your passengers are safe.

PLEASE ENSURE YOU ARE READY TO TAKE THE TEST – Every time a candidate takes the knowledge test they are required to pay the full test fee. Ensure you prepare properly and you can avoid taking retakes and extra fees.

REMEMBER THAT PASSING THE KNOWLEDGE TEST IS THE FIRST STEP TO BECOME A PROFESSIONAL LICENSED DRIVER

PRIOR TO THE TEST

Notification

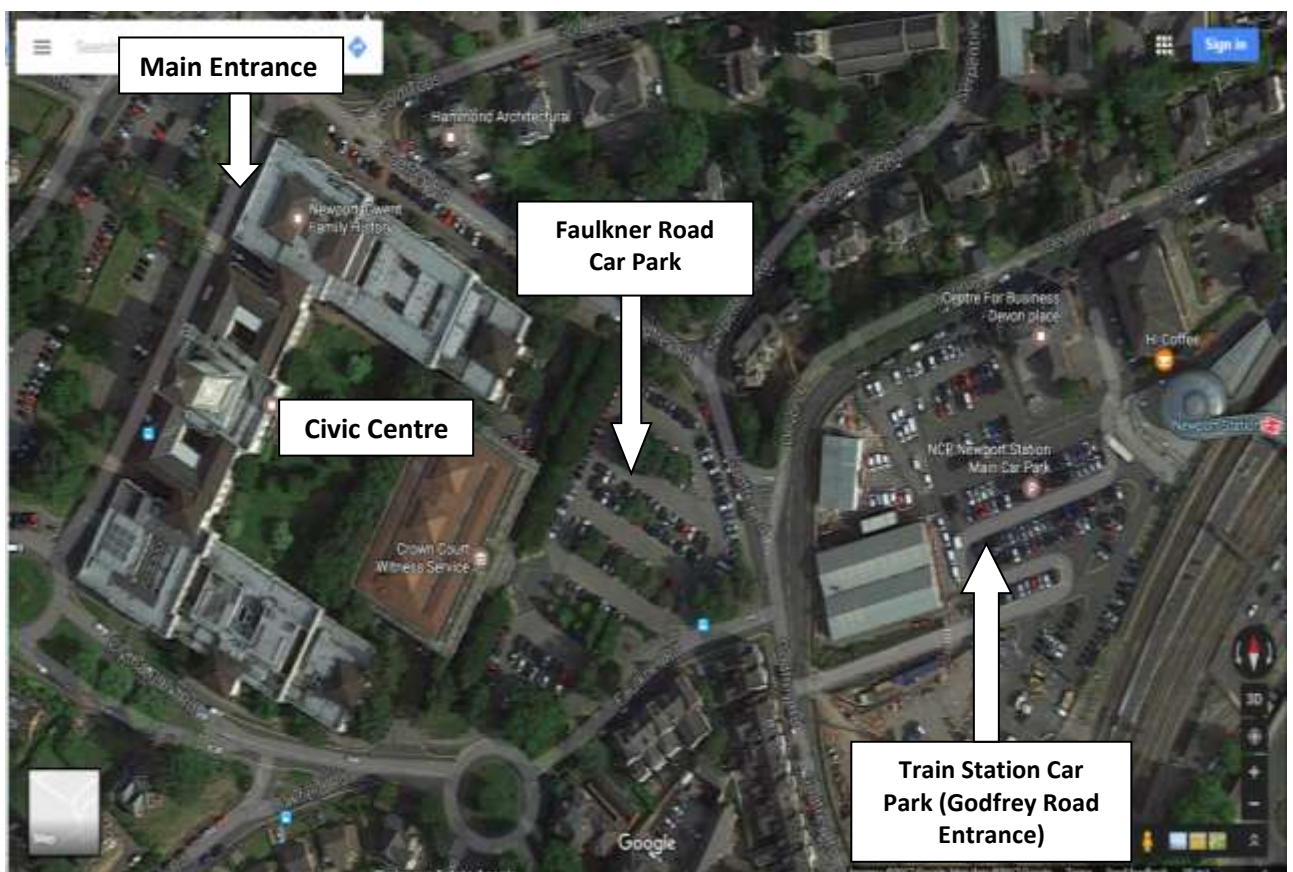

Once you have applied [online](#) you will receive notification by email of the details of when and where your test will be and what documents you are required to bring. You should receive this notification within 3 working days of you submitting the application form. As the notification will be sent by email it is vitally important that you provide a valid email address. If you have not received the email ensure you check your spam/junk setting before you contact the Licensing Department.

Location

The test will take place at the civic centre. **If for any reason this changes, you will be advised accordingly by email.**

Parking

The nearest public (pay and display) car park to the Civic Centre is off Faulkner Road. This is very busy throughout the day and there are only limited spaces. There is also a large pay and display car park within the rear of the train station. If an applicant requires a parking space, it is recommended that they arrive early, especially if they need to park in a side street (legally) or another public car park.

If the applicant is late due to failure to find a parking space, this will not be a relevant excuse and they will be refused to sit the test.

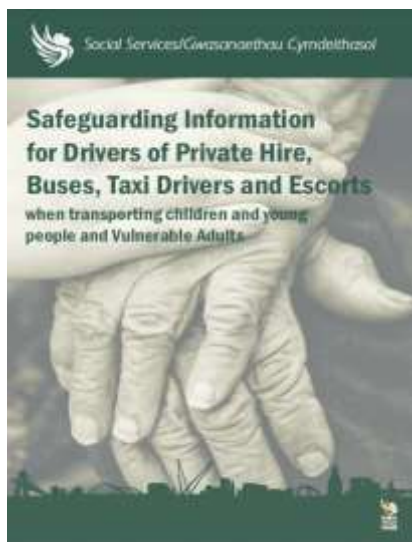

WHAT TO EXPECT ON THE DAY

It should be noted that the test is normally undertaken on a Friday (usually the last of the month) and the applicant should make the necessary arrangements to attend promptly and prepare themselves to take at **least 3 hours out of their day** (this does not include travelling time to the venue).

THE KNOWLEDGE TEST WILL BE BROKEN INTO THREE PARTS

1. A PRESENTATION ON SAFEGUARDING AGAINST CHILD SEXUAL EXPLOITATIONS (CSE) (APPROX 60 MINUTES)

Within the notification each applicant will have received a copy of the following leaflet (within their email) giving a brief outline of Safeguarding & CSE.

The reason licensed drivers are being trained on this subject is because they are the eyes and ears of the City and surrounding area. This serious matter cannot be dealt with solely by policing and thereby working in partnership with the police and other agencies you will be able to make a difference.

It is strongly advised that you read this leaflet prior to the test. On the day you will be shown a DVD and the officer will give a more in-depth presentation into the importance of safeguarding when transporting children, young people and vulnerable adults and the appropriate manner a licensed driver is expected to behave.

Further information can be found [here](#).

2. THE PRIVATE HIRE KNOWLEDGE TEST (APPROX 90 MINUTES)
