

Private Hire Vehicles accepted by Newport City Council

Please ensure you read over the [licensing policy](#) (pdf) for information about seating capacity, particularly vehicles with four or more passenger seats.

The majority of vehicles mentioned will have a capacity of 4 passengers. If you are looking for a vehicle with a larger capacity, you should contact the Licensing Department in the first instance before you submit an application to determine whether the vehicle would have a larger capacity. You should not assume that just because the vehicle has been manufactured a higher seating capacity, that the vehicle would be licensed with that capacity.

Vehicles highlighted in gold will be considered as 'executive vehicles' if they comply with the taxi policy.

Vehicles are constantly updated, if a vehicle is not on this list please contact the licensing team.
