## **List of Designated Vehicles Pursuant to Section 165 Equality Act 2010**

Section 165 of the Equality Act 2010 imposes duties upon the drivers of vehicles designated pursuant to Section 167 of the Act when dealing with disabled persons in wheelchairs or a person who wishes to be accompanied by a disabled person in a wheelchair. Those duties are set out in Section 165(4) as follows:

- to carry to passenger whilst in the wheelchair;
- not to make any additional charge for doing so;
- if the person chooses to sit in a passenger seat, to carry the wheelchair;
- to take such steps as are reasonably necessary to ensure that the passenger is carried in safety and reasonable comfort; and
- to give the passenger such mobility assistance as is reasonably required.

Section 165(7) of the Act creates an offence where the driver of a designated taxi or private hire vehicle fails to comply with a duty imposed upon them under the section. This is punishable on summary conviction by a fine not exceeding scale 3 on the standard scale (currently £1,000)

Section 166 of the Act makes provision for licensing authorities to issue exemptions to drivers where they are satisfied it is appropriate to do so:

- On medical grounds; or
- On the ground that the person's physical conditions makes it impossible or unreasonably difficult for the person to comply with those duties.

**A driver will only be exempt therefore if an exemption certificate has been issued and notice of exemption issued by the council is exhibited within the vehicle in the prescribed manner.**
