6 Cysegr Nemesis Temple of Nemesis

Rhaid oedd l Isca fod yn gaer anorchfygol o'r cychwyn cyntaf, ond codwyd ei hamdiffynfeydd mawr dau gam.

Isca had to be impregnable from the outset but it's defences were built in two stages.

Codwyd yr amffitheatr tuag OC 90 i gynnal ymarferiadau mliwrol, gorymdelithiau a dilyrwrch treisgar ynddo.

Built around AD 90, the amphitheatre was used to practice military exercises, for parades and for violent entertainment.

Gallai'r trai fu'n sefyll yma o dan gysegr Nemesis fod wedi bod yn unrhyw beth o drosoddwyr condemniedig i ymaddwyr profesiynol.

Those waiting here beneath the shrine of Nemesis could have been anything from condemned criminals to professional gladiators.
