Newport is one of the UK's 'superconnected' cities with fast free wi-fi across the city centre. Our signs in the street and in shop windows will guide your smartphone to the centre. Our signs in the street and in shop windows will guide your smartphone to the centre. Our signs in the street and in shop windows will guide your smartphone to the centre.

You can also enjoy Newport Explorer in the City centre using a smartphone. Click on the map hotspots to enjoy a virtual visit.

GETTING AROUND

Newport city centre is surrounded by heritage and wildlife attractions. From a Roman Fortress to a National Nature Reserve, there's plenty to explore within a short distance, such as: Caerleon Roman Fortress Town, the beautiful RSPB Wetlands Reserve and National Trust's Tredegar House.

For more information on Newport's Getaround transport network, and routes and parking information on our system.

All of Newport's attractions are accessible by public transport and by car. Check out the bus and rail routes and park information on our system.

GETTING AROUND

Newport has a growing network of cycle paths. Much of Newport's city centre is pedestrianised, and you can use the map on this leaflet to guide you from place to place (or use the navigation system on www.visitnewport.wales).
