<p><b>3.</b></p>	<p><b>Gwent PSB update</b></p> <p>J Dent provided an update to the Board on the work of the Gwent PSB and the proposed regional areas of focus, which will be signed off at the upcoming meeting taking place next week.</p> <p>Part of this process is for the Gwent PSB to map what is being done locally, regionally and through other partnership boards to be able to identify added value.</p> <p>The four areas of focus will have leads identified and involve a range of partners e.g. Natural Resources Wales aim to put someone forward for each of the focus areas.</p> <p><b>AGREED:</b></p> <p>To provide any further comments to the Policy &amp; Partnership Team that can be fed back into the Gwent PSB.</p>	<p><b>ALL</b></p>
<p><b>4.</b></p>	<p><b>One Newport Partnership</b></p> <p><u>Newport Local Action Plan (LAP) – Final</u></p> <p>W Tucker explained to the Board about the outcome of the consultation on the draft Newport LAP, which had received positive feedback, with a majority of people fully or partly believing the themes and actions would improve well-being in Newport.</p> <p>In response to the consultation no significant changes were made to the plan, with only a few amendments, including the addition of further explanatory text and wording as appropriate. A further slight alteration is required to one of the actions prior to finalising the LAP.</p> <p>To support this work a suite of documents were produced that include the mapping of the local actions against the Gwent Well-being Objectives / Steps and the proposed Gwent PSB areas of focus. While the local actions were also mapped across the three themes within the LAP to show that the work won't be delivered in a silo.</p> <p>The Board expressed their support of the plan and the work done in its development. Further discussion took place on how members could contribute to the delivery of the LAP and support each of the Themes, with the following noted:</p> <ul style="list-style-type: none"> <li>• C Williams – could support the Communities Theme.</li> <li>• B Bowden – could support the Communities Theme from their perspective.</li> <li>• S Ward – could support the Economy and Culture Theme, but also ensure Newport Live are involved in the other themes.</li> <li>• A Harries-Nicholas – could be involved in the Economy and Culture Theme.</li> <li>• C Doyle – will ensure RSLs are involved across all three of the Themes. Important to make sure those that can make a real difference are included (delivery vs strategic).</li> </ul>
