The PSB is supporting the development of a Safer Gwent group focused on regional community safety priorities, establishing a Safer Newport group to deliver on local tactical and operational issues and supporting community safety work as part of the interventions within the Well-being Plan.

#### Single Integrated Plan Annual Report 2017-18

The PSB approved its annual report which outlines performance against the 2017-18 Single Integrated Plan (SIP). This was the final year of the five-year SIP, which focused on improving the economy and skills, health & well-being and safe & cohesive communities in Newport.

Members noted that considerable progress had been made. The PSB Chair, Councillor Debbie Wilcox, thanked the theme leads, Will Beer, Bev Owen and Supt Ian Roberts, for the work undertaken through the SIP.

The annual report will be published following scrutiny by the Council's Performance Scrutiny Committee - Partnerships. The SIP has now been replaced by the PSB's Well-being Plan.

## **Involving Young People**

As part of the PSB's commitment to involving young people, the PSB Chair attended the NYC meeting in June to outline the work of the PSB and the Well-being Plan, and to hear the young people's perspectives on the interventions. The Youth Council welcomed the engagement, which will continue with the Gwent Police & Crime Commissioner's attendance at NYC's meeting in August.
