

Intervention	Green and Safe Spaces		Green	Current progress on target		
			Amber	Progress behind target but still achievable		
			Red	Progress well behind target		
Lead	Steve Morgan & Huw Jakeway	Reporting Period	Qtr.1 2021-22			
Key Achievements & Successes			Key Performance Measures* (*measures being reviewed)			
Network workshop (April 2021), introduced new Green & Safe steps to guide delivery of a joined up vision across shared goals. Enthusiasm, networking, partnership work generated.			Target	Actual	RAG	
This year, Newport City Council (NCC) increased pollinator sites by 21 to a total of 55 sites throughout Newport. No Mow May campaign by NCC increased habitat for pollinators, more rare and nationally scarce species have been recorded in more locations. It generated conversation on its importance with lessons learned to build on for 2022.			Green & Safe Network members	50	132	Green
Safety data dashboard created through strong partnership work, overlaying fly tipping, arson, crime data with greenspace to collaboratively focus efforts and find solutions to make greenspace safe & accessible for all.			Active projects part of the Green & Safe Spaces Network	25	24	Green
4 th e-newsletter due August 2021, continuing to share and promote work of the Green & Safe Network, opportunities to collaborate, latest reports, resources and funding news. Increased social media presence promoting work of the Network and intervention. Developing a structured comms project plan.			Community groups part of the Green & Safe Spaces Network		12	Green
3 sites have new rain gardens and enhanced planting for biodiversity (part of greening city centre - Green Arc) completed in June 2021. Plans for more along riverfront and as part of Devon Place footbridge.			Network workshops	3 a year	1	Green
Green Infrastructure Database/multi layered map of Newport has been created, offering multiple uses and opportunities. Next stage to make data public.			Attendees at the last workshop	30	32	Green
Widely promoted Green Flag, several are interested in 2022 applications.			No. of community flag applications submitted (due Jan 2022)	5	0	Green
Explored Green social Prescribing workshop with providers of green activities and Neighbourhood Care Network's (NCN). View to work towards Gwent wide Green social Prescribing.			Successful community green flag applications by 2023	8	3 (anticipated)	Green
Supporting Newport Veterans obtain and develop an NCC allotment plot, for outdoor / horticulture activity for the wellbeing of ex-service people.			Sites meeting full green flag criteria by 2023	5	3	Green
A refresh of the performance measures is underway, to be completed by end of 2021.			Plans for next quarter			
Piloted Home Food Growing kits in Ringland Hub, funded by Newport Integrated Care Network, to encourage having a go at growing own food. Lessons learned to consider rolling out wider next year.			Continue to Strengthen links with Safer Newport and sub groups.			
Main Risks / Barriers to progress	Status (H/M/L)	Mitigating Actions / Support Req'd	Plan next Network workshop for Sept 2021 to further partnership work and deliver shared goals, continue to expand and diversify network.			
Green space not sufficiently protected in the planning process.	Medium	Ensure use of Green Infrastructure (GI) database in planning process and Local Development Plan. GI Assessment is underway, creating an evidence base for a GI Supplementary Planning Guidance.	Continue to strengthen links with community hubs to promote well-being benefits of greenspace.			
Capacity of PSB partners to deliver against ambitions of Green & Safe intervention.	High	Partner organisation reps to raise the importance of Wellbeing Plan/Intervention action delivery at internal business planning meetings.	Continue to explore developing community space at Belle Vue park.			
Covid-19 restrictions.	Medium	Continue online communications to support Green & Safe Network. As restrictions ease build on the strong working relationships created.	Continue to develop new green projects in Bettws.			
			Continue to strengthen links with Dŵr Cymru Welsh Water re: Sustainable Drainage Solutions (SuDS).			
			Continue to strengthen links and opportunities with Housing Associations.			
			Continue to work with GAVO and the Green and Safe Network to promote Green volunteering opportunities.			
			Support Green Flag applications.			
			Continue support for a green roof, green wall, and native planting at new Leisure Centre project on riverfront.
