**Your Representor No:**

Dear Sir/Madam

**Local Development Plan – Alternative Sites Register Consultation**

The Deposit Local Development Plan (LDP) was made available for public consultation between April and June 2012. As part of that consultation exercise there was an opportunity for individuals and organisations to submit 'Alternative Sites' that they would like to see included in the Plan for development or protection.

The Council is required to produce an Alternative Sites Register which identifies those alternative sites submitted at the deposit plan consultation stage. The Register includes suggestions for new sites and amendments or deletions of allocations within the Deposit LDP. The Alternative Sites Register simply details the consultation responses that have been submitted to the Council for consideration, it important to note that they are not Council proposals.

The Alternative Sites Register is available on the council website at: [www.newport.gov.uk/planningpolicy](http://www.newport.gov.uk/planningpolicy) together with representation forms. These can be filled in by hand or online. All documents are also available at the Council's Information Station (the former Newport Train Station), in all Newport libraries or on request.

The Council is required to consult on these sites for a six week period under the provisions of the Town and Country Planning (Local Development Plan) (Wales) Regulations 2005. The consultation period runs for just over 6 weeks from 07th August until 19th September 2012. Comments need to be made in writing and should be on the forms provided, to be received by the Council no later than 5pm on Wednesday 19th September 2012, by post, online, or emailed to [ldp.consultation@newport.gov.uk](mailto:ldp.consultation@newport.gov.uk)

**Your Representor No:**

Dear Sir/Madam

**Local Development Plan – Addendum to Alternative Sites Register Consultation**

The Deposit Local Development Plan (LDP) was made available for public consultation between April and June 2012. As part of that consultation exercise there was an opportunity for individuals and organisations to submit 'Alternative Sites' that they would like to see included in the Plan for development or protection.

An opportunity to respond to the Alternative Sites Register was provided by the Council between the 07th August 2012 and the 19th September 2012. Further analysis of the deposit stage representations has resulted in the identification of a further six sites that were not included within the original Alternative Sites Register. They seek to alter the boundaries and details of allocated sites within the Deposit LDP. These six sites form the content of this consultation.

For your information only, the Council has also identified some minor corrections in relation to a few of the Alternative Sites as previously publicised. Please note that these are not part of the consultation but have been included for clarification purposes only.

The Addendum to Alternative Sites Register is available on the Council website at: [www.newport.gov.uk/planningpolicy](http://www.newport.gov.uk/planningpolicy) together with representation forms. These can be filled in by hand or online. All documents are also available at the Council's Information Station (the former Newport Train Station), in all Newport libraries or on request.

The Council is required to consult on these six sites for a six week period under the provisions of the Town and Country Planning (Local Development Plan) (Wales) Regulations 2005. The consultation period runs for 6 weeks from 08th October until 19th November 2012. Comments

**Your Representor No:**

Dear Representor

**Newport deposit Local Development Plan 2011-2026**

It has come to our attention that for technical reasons some of the requested notifications of the current consultation on the Local Development Plan were not sent. A duplicate letter is therefore attached, with apologies if you have already received it. If this is a new notification, and you require additional time to respond than that stated, then please ensure that your response is with the Council by 5pm on Thursday 14 June 2012.

Yours Faithfully

Lucie Taylor  
Planning Policy Liaison Officer

**Your Representor No:**

Dear Sir/Madam

**Consultation on Deposit Newport Local Development Plan 2011 – 2026.**

Newport City Council has approved the Deposit Local Development Plan for consultation purposes. The Council has been speaking to communities and other stakeholders about their land use aspirations for Newport since 2007 and this work has culminated in the publication of the Deposit Local Development Plan. The plan will guide the development of the city over the period to 2026, and this is an opportunity for any interested person to comment on the deposit plan.

The Deposit Local Development Plan is available on the council website at: [www.newport.gov.uk/planningpolicy](http://www.newport.gov.uk/planningpolicy) together with representation forms. These can be filled in by hand or online. All documents are also available at the Council's Information Station (the former Newport Train Station), in all Newport libraries or on request. Copies of the plan will also be made available at other convenient locations such as Newport University Campus in Caerleon. If you know of any other locations where it would be useful to have additional copies of the plan please let us know.

Also available are the Sustainability Appraisal Report on the plan and the Habitats Regulation Assessment, carried out independently for the Council, upon which comments are also welcome.

The consultation period runs for just over 6 weeks from 13th April until 28th May 2012. You can make a comment, support or object to any part of the plan. Comments need to be made in writing and should be on the forms provided, to be received by the Council no later than 5pm on Monday 28th May 2012, by post, online, or emailed to [ldp.consultation@newport.gov.uk](mailto:ldp.consultation@newport.gov.uk). For further information, including on how your community can be involved, please email that address, or write to the Policy Team at the Civic Centre, or telephone them on 01633 656656.
