

Newport Local Development Plan 2011-2016 – Focussed Changes, February 2014

Ref	Policy/Chapter/Allocation	Plan/Page/Para	Proposed Focussed Change	Reason
1	EM1 (i) Duffryn	Proposals Plan	The allocation has been reduced in size from 65ha to 37ha.	The correct M4 safeguarded corridor reduces the allocation. Agreement has been reached to remove most of the SSSI from the allocation.
2	EM1 (ii) East of Queensway Meadows, South of Glan Llyn	Proposals Plan	The allocation has been reduced in size from 34ha to 22ha.	The correct M4 safeguarded corridor reduces the allocation.
3	EM1 (iv) Solutia	Proposals Plan	The allocation has been reduced in size from 45ha to 35ha.	The correct M4 safeguarded corridor reduces the allocation.
4	EM2 (ii) Llanwern Former Tipping Area, South of Queensway	Proposals Plan	The allocation has been reduced in size from 122ha to 95ha.	The correct M4 safeguarded corridor reduces the allocation.
5	SP5 Countryside	Proposals Plan	The Urban Boundary has moved northwards as a result of the reduced allocations at EM1(ii) and EM1 (iv).	The correct M4 safeguarded corridor reduced EM1(ii) and EM1 (iv) which consequently changes the Urban Boundary.
6	SP8 Special Landscape Areas	Proposals Plan	The Special Landscape area has increased northwards as a result of the reduced allocations at EM1(ii) and EM1 (iv).	The correct M4 safeguarded corridor reduced EM1(ii) and EM1 (iv) which consequently expanded the Special Landscape Area.
7	CE10 Coastal Zone	Proposals Plan	The Undeveloped Coastal Zone Boundary has moved northwards as a result of the reduced allocations at EM1(ii) and EM1 (iv).	The correct M4 safeguarded corridor reduced EM1(ii) and EM1 (iv) which consequently changed the Undeveloped Coastal Zone Boundary.
8	T1 Railways - Coedkernew	Proposals Plan	The location of the proposed station at Coedkernew has moved southwards. As the precise location of the station is yet to be determined, an 'area of search' polygon has been used on the Proposals Plan.	The correct M4 safeguarded corridor means that the location of the proposed station moves southwards.
