

Admission to Reception September 2023-analysis of admissions round as at 08/09/2023

Where a school is named in a statement of Special Education Needs/Individual Development Plan, the Council has a duty to admit the child to the named setting before the oversubscription criteria is applied against applications received. This reduces the amount of places available to other applicants. Where the total number of preferences for admission to a school has exceeded the number of places available, the following order of priority has been applied to allocate the available places:

1. Looked-after children (children in public care) and previously looked-after children
2. Pupils living within the catchment area making an application on medical grounds
3. Pupils living within the catchment area with relevant siblings
4. Pupils living within the catchment area
5. Pupils living outside of the catchment area making an application on medical grounds
6. Pupils living outside of the catchment area with relevant siblings
7. Pupils living outside of the catchment area

After considering the above categories, or if the number of applications in any one of the above categories exceeded the published admission number, priority was based on those residing closest to the preferred school.
