NEWPORT CITY COUNCIL

Statutory Notice – School Standards and Organisation (Wales) Act 2013

James Harris, Chief Education Officer
Newport City Council, Civic Centre
Newport, NP20 4UR

Notice is given in accordance with section 41 of the School Standards and Organisation (Wales) Act 2013 and the School Organisation Code that Newport City Council, having consulted such persons as required, proposes to establish a new English-medium primary school to be maintained by Newport City Council at Jubilee Way, Rogerstone, Newport for boys and girls aged 3-11.

The Council undertook a period of consultation before deciding to publish this proposal. A consultation report, containing a summary of the issues raised by consultees and the proposer's response and the views of Estyn is available on the Newport City Council website at www.newport.gov.uk/schoolreorg

The new primary school will have a published admission number of 45, and eventual capacity for 315 pupils of statutory school age. In addition there will be a nursery class with capacity for 48 part-time places, delivered over either a morning or afternoon session, and a 10 place generic Learning Resource Base to support pupils with Additional Learning Needs whose needs cannot be met solely within mainstream education.

It is proposed to implement the proposal on 1st September 2017 under a growing school model as follows:

- Year 1 – On 1st September 2017 the school will be established with a published admission number of 15 across all year groups, with provision for 15 full-time equivalent nursery pupils.
- Year 2 – From 1st September 2018, the published admission number will increase to 30 across all year groups, with provision for 24 full-time equivalent nursery pupils.
- Year 3 – From 1st September 2019, the agreed published admission number of 45 will be realised across all year groups, plus provision for 24 full time equivalent nursery pupils.

The Learning Resource Base will be fully operational from 1st September 2017.

The proposed new school will be a community primary school. Newport City Council will be the admission authority for the proposed school. It is not proposed that the admission arrangements will make any provision for selection by aptitude or ability. Parents of children who are admitted for nursery education will still need to apply for a place at the school if they want their child to transfer to a Reception class.

The Council has a Home to School Transport policy and provides free transport to eligible pupils of statutory school age. This provision will not be affected by this proposal. Further information in relation to this policy is available on the Council website.

Within a period of 28 days after the date of the publication of these proposals, that is to say by 8 March 2017, any persons may object in writing or by email to the proposals.
