Dear Stakeholder

Proposal to establish a Welsh-medium primary school and to relocate Pillgwenlly Primary School.

The full statutory consultation process has now concluded on the proposal by Newport City Council:

- To establish a Welsh-medium seedling primary school on the vacant site of the former Caerleon Lodge Hill Infant School from September 2021;
- To relocate Pillgwenlly Primary School from its existing site to the new build on the Whiteheads development, and in doing so to increase the capacity of the school for mainstream pupils from 546 to 630 and its Learning Resource Base (LRB) from 10 to 20 places from January 2023, and;
- To subsequently transfer the seedling school to a permanent location on the site of the current Pillgwenlly Primary school from September 2023.

Newport City Council's Cabinet Member for Education & Skills considered all views expressed and responses received during the formal consultation process and decided to proceed with the proposal. Therefore, a Statutory Notice was published on 2nd March 2020 for a period of 28 days and ended 30th March 2020.

No objections were received during the statutory proposal stage therefore the final determination was taken by Newport City Council's Cabinet Member for Education & Skills. I am pleased to confirm that the proposal will be implemented as outlined in the consultation and the statutory notice from September 2021.

Further information is available on the Council website at:
