

Plans to make more room for older pupils with ASD at Llanwern High School

23 November 2022 –

ASD Friendly Version

The ASD base for pupils aged 11-18 at The John Frost School on Lighthouse Road is full.

Ysgol Bryn Derw Special School on Melfort Road is also full.

This means there is **no room** for new pupils.

There is a plan to make more room for new pupils in Newport.

But we want to know what you think first...

Llanwern High School is a secondary school on Hartridge Farm Road

It has spare classrooms for more pupils

So Newport City Council have an idea that the spare classrooms can be used for older pupils with ASD

The new ASD base would have:

- Specially trained teachers
- Room for up to 20 pupils
- Outside areas
- Their own toilets
- Kitchen area
- Music Therapy
- Speech and Language Therapy

When?

It could be ready by September 2023.

What do you think?

What do you think?...

Do you think the plans to make more room for older children with ASD at Llanwern High School is a good idea?
