Dear Stakeholder

Proposal to establish a specialist base for pupils with Autistic Spectrum Disorder at Llanwern High School from September 2023.

The full statutory consultation process has now concluded on the proposal by Newport City Council to establish a 20-place specialist base for pupils with Autistic Spectrum Disorder with effect from September 2023.

Newport City Council's Cabinet Member for Education & Early Years considered all views expressed and responses received during the formal consultation process and decided to proceed with the proposal. Therefore, a Statutory Notice was published on 30th March 2023 for a period of 36 days and ended 5th May 2023.

No objections were received during the statutory notice stage therefore the final determination was taken by Newport City Council's Cabinet Member for Education & Early Years. I am pleased to confirm that the proposal will be implemented as outlined in the consultation and the statutory notice from September 2023.

Further information is available on the Council website at:
